## VÍCTOR SANTOS QUESADA

*Medical Coordinator for Spain & Portugal in the PSA Groupe*

---

Graduated in Medicine by the University Complutense of Madrid, he became specialist in Occupational Health, as well as Safety, Hygiene and Ergonomics.

He began his career in PSA Groupe as a physician in Citroën Brand.

After that, he occupied the responsibility of Health & Safety for the Commerce area in Spain and Portugal, and nowadays, he is also the Health & Safety manager of the PSA Factory in Madrid.
