WIKING HUSBERG

Ministerial Advisor on OSH, Finnish Ministry of Social Affairs and Health

Wiking Husberg is a Ministerial Advisor on OSH in the Finnish Ministry of Social Affairs and Health, Dept of OSH. He started working with OSH in 1973 as a safety engineer with the Finnish Government in the National Board of Labour protection. He has cooperated with the Nordic and European countries concerning machine safety, standardisation and market surveillance. Consultancy work has taken him in the 80'ies to the Eastern European countries, which now has joined the EU. He was CTA with the ILO in English-speaking Africa and Team Leader with the European Union/TACIS in Russia in the 90'ies. He spent nine years as the Senior occupational safety and health specialist in Moscow with the ILO Subregional Office for Eastern Europe and Central Asia before returning to the ministry in Finland in 2012.
