Dear Sir or Madam,

We are looking for creative ideas from young people who would like to be part of the “**SafeYouth@Work Media Competition**”! The SafeYouth@Work Project wants your help to raise awareness around the world on the importance of safety and health for young workers.

Submission categories: We want to hear youth voices on safety and health at work via submissions in the following categories - * FILM * PHOTO * POSTER / DRAWING * SONG * STORY * SURPRISE US *

The prize: All winning entries will be featured at the World Congress on Safety and Health at Work in Singapore, 3-6 September, and selected winners will receive an all-expenses-paid trip to Singapore to present their work!

Who can participate: Anyone aged 15 to 24 can submit their creative media produced after 1 January 2016; we look forward to seeing your **creative and engaging** submissions – above all, we want to see/hear your innovative thinking on safety and health at work... It doesn't have to be fancy or complicated, just smart and catchy with a message that speaks to young people around the world!
